2012 COMMENTS:

Married in 1967. Lived in East Hartford, CT for 2 yrs., built a home in South Windsor, CT and have lived their for 43 years.

Before starting our family, I worked for Pratt & Whitney Aircraft in East Hartford as a private secretary. I did stop work to raise our sons though. Then worked as an office manager at another engineering company. I have been out of the work force for approximately 10 years watching and enjoying our granddaughters growing up.

My husband, Gordon, presently is self employed as a real estate investor. He is slowly approaching retirement. I'm looking forward to our retirement years together. We hope to do more extensive traveling while we both are healthy.

I'm very excited to attend our 50th High School Reunion to see my friends and classmates again. Fifty years have certainly flown by! I want to personally thank the Reunion Committee on their wonderful week-end planned.

Looking forward to seeing everyone real soon.

2002 COMMENTS:

Sorry I have to miss our 40th reunion. Have a Sorority Convention that same week-end down at the Cape. Do hope to see everyone at our next one though.

Three days a week, I babysit for my new little granddaughter, "Princess" Leah. It is so rewarding. I just love it.

1992 COMMENTS:

Looking forward to seeing everyone. Thirty years have certainly flown by quickly.

The following is not an official obituary - BUT - a combination of E-mails from Merle, George's Wife, that she approved to give us some idea as to what poor George has gone through the last few years of his life.

E-mail of 07/06/2018 in response of Olive Garden luncheon:

George Estabrook's wife Merle here. Thought I would reply for him as he hasn't been on the computer for weeks.

George has been battling multiple myeloma since 2013 and after initial stem cell transplant ordeal in 2013 and continual ongoing treatment since then.

Initially he was on a different oral chemo and we were able to continue traveling albeit at a little bit different pace. Then sometime ago, the disease advanced and required different treatments by IV two days a week, evidently that didn't work so well and June 20th he received first Daratumumab (8 hr IV) and things have gone downhill since.

All the nasty side effects that he had escaped with earlier treatments have shown up now, second treatment on June 27th and into hospital on 29th due to severe pain and treatment side effects, 5 days there and home now.

Pain finally under control with a combo of meds, other side effects calmed down, this week's treatment scratched so hopefully he will be able to cope with next week's treatment and whatever comes with it.

Dr did say he had some things to try to combat the side effects. We have scratched a slight hope of making it to Maine this month for family reunion, and as you can suspect will be missing your luncheons as well.

Hope you have a good turnout and enjoy your time together.
Hello and best wishes to old friends from George.

George and Merle Estabrook

E-mail of 07/31/2018:

Dear Michael, don't remember if I responded to this email from you for George, I know at some point, I did tell you he wasn't doing well. Things went downhill very rapidly after that and we lost George on July 28th. He struggled mightily those last two weeks and thru the sorrow we have to be relieved for him that he is past that now.

I never really had much chance to ask him if he wanted me to give you the ok to share with your class, I think he did indicate yes, but I just didn't have time.

Wish George/Chip could have met up with you in York Beach, ME.

Obituary:

George Lovell (Chip) Estabrook, IV, 74, Leavenworth, Kansas passed away Saturday, July 28, 2018 at home due to Multiple Myeloma.

George was born June 10, 1944, in Concord to George Lovell Estabrook, III and Doris Hazen Estabrook.

He attended Concord schools and went on to graduate from the University of New Hampshire where he majored in forestry.

He ran cross-country and track and was a captain of both teams in high school and college. He won the Yankee Conference cross-country championship at UNH and is a member of the UNH Athletic Hall of Fame. Running continued to be his passion throughout his life, wherever he went that running gear bag was ready. Many of you may remember him running one of his Leavenworth routes as people often reported "sighting" him all over town, in his memorable running garb (in the days before running tights) one toddler telling his Mom he saw "the runner man" and so he went, having his talks with God as he ran.

He was the cadet colonel of ROTC at UNH and was awarded the American Legion trophy based on excellence in scholarship, military science and athletics.

George was commissioned into the Army upon graduation, attended the Infantry School at Fort Benning, then Airborne-Paratroop school, also Military Intelligence School at Fort Holabird, Md. His overseas tours of duty included Vietnam, Thailand, Korea and two tours in Germany. He particularly loved Germany with its Volksmarches, skiing and mountain climbing, he was always looking for the highest point.

He traveled whenever possible, using his car and a half-shelter - mostly alone, probably because no one else was willing to "half-shelter it."

He met Merle while stationed at Fort Leavenworth and they were married in 1981 at Memorial Chapel, Fort Leavenworth, Kansas, he always said they went to Korea for their honeymoon as he was already on orders at the time. He returned to Fort Leavenworth and CACDA after Korea and was a faithful member of the Memorial Chapel Liturgical family from 1983 until he was called to Heaven.

George shared with Merle his love of the adventure of travel (minus the half-shelter) and together they made many trips to Germany and beyond, going where the road and their fancy took them, he was always curious as to what was around the next corner or over that mountain.

After his retirement he taught skiing at Snow Creek, guiding many a 6th grader on his/her first run down the slopes. He also pitched in and found a niche at Country Cupboard before they decided there was a lot of world out there to see and closed the shop.

George is survived by Merle Miesner McAtee, his wife and traveling companion for 37 years; stepson Alan Mcatee and his friend Jill Hinrichs, Belleville, Ill.; stepdaughter Lori Humble and spouse Rob Humble, Leavenworth; grandson Clay McAtee and friend Kendall Adams, Denver, Colo.; grandson Cole Humble, Concordia University, Seward, Neb.; granddaughter Lena Humble, U of Central Missouri, Warrensburg, Mo.; grandson George Humble, Leavenworth High; brother Robert Estabrook and spouse Terry, Concord; niece Kristen Estabrook, Somerville, Mass.; nephew Tom Estabrook and spouse Elizabeth, Weymouth, Mass.; nephew Jeff Estabrook and spouse Kaleigh, Pembroke; sister-in-law Katy Goodwin, Kansas City, Mo.; sister-in-law, Brenda Johnson, Parkville, Mo.; sister-in-law Linda Huebner and spouse Paul, Jackson, Wis.; nephew Matthew Goodwin and spouse Amanda, Kansas City, Mo.; nephew Bob Goodwin and spouse Susan, Firestone, Colo.; niece Kara Johnson, Kansas City, Mo.; niece Corrie Johnson, Seward, Neb.; nephew Kyle Huebner and spouse Erin, Cedarburg, Wis.; niece, Keli Gilson and spouse Kris, Scottsdale, Ariz.; and five grandnieces and nephews. He also leaves many loving Estabrook relatives, aunts, uncles and cousins.

Visitation will be held from 6 to 8 p.m. Wednesday, Aug. 1, 2018 at the Davis Funeral Chapel, 531 Shawnee St., Leavenworth, Kansas 66048. Funeral service will be held Thursday, Aug. 2, 2018 at 8:30 a.m. at Fort Leavenworth Memorial Chapel, Fort Leavenworth, Kansas 66027. Please note, two forms of ID are needed to get on Fort Leavenworth, please call 913-682-5523 for info.

A brief internment service will follow at Leavenworth National Cemetery, 150 Muncie Road, Leavenworth, Kansas at 10 a.m. Thursday, Aug. 2, 2018 (vehicles to line up at Administration Building before proceeding to Pavilion). For further information please call 913-682-5523.

Pallbearers will be Bob Estabrook, Tom Estabrook, Jeff Estabrook, Clay McAtee, Cole Humble and George Humble.

2012 COMMENTS:

After graduating from CHS, I attended the University of New Hampshire. I graduated in 1966 with a degree in Forestry. I had participated in the ROTC program and graduated a Distinguished Military Graduate. On graduation day I was commissioned into the United States Army as a second lieutenant.

I spent about 21 years in the US Army and was stationed around the world including Germany, Vietnam, Thailand, and South Korea. In the United States I was stationed in Georgia, Maryland, Texas and Kansas.

While at Fort Leavenworth in Kansas, I met my future wife, Merle. We were married in 1981 and several months later were living in Seoul, South Korea. We enjoyed our two years in South Korea. From Korea we returned to Leavenworth, Kansas which is where we now reside.

When I retired from the US Army, I became a ski instructor and taught skiing at a small local ski area called Snow Creek. I taught skiing for about seventeen years.

My wife and a friend bought a small shop in Leavenworth. Merle bought out her friend and worked to turn the store into a premiere gift and collectible store. After I retired from the US Army, I went to work for my wife taking care of the bills and payroll among other things. Merle had the store for nineteen years. We finally closed the doors in January 2005.

Merle and I enjoy traveling and since we closed the store, we have made numerous trips to Europe. Much of our time has been spent in Germany.

However, we have visited The Azores, Italy, Slovenia, Croatia, Hungary, The Czech Republic, Poland, Luxembourg, Belgium, The Netherlands, France, Switzerland, Liechtenstein, and Austria.

Merle had two children when we met, Alan and Lori. We now have four grandchildren. One lives in Denver and is in college at Colorado State, and the other three are living here in Leavenworth and go to the Lutheran School here. The oldest Leavenworth grandchild graduated from 8th grade in May.

Thanks for all the work you do for the class Mike. Also thanks for talking with Bob Murdoch. We lived across the street from each other when in school. He sent me an E-mail asking what we were doing for our 50th reunion. At the time I didn't know and told him to contact you. Understand he even went to one of your meetings. Thanks!

2002 COMMENTS:

Grandchildren are great! We love ours and enjoy doing things with them. We took care of the three youngest ones for nine days in July. Now we know why the Lord gives you children when you are young.

Merle and I also enjoy traveling when we can get away from the store, and we make an effort to get away a lot more now that we are getting older.

My most exciting news this year is that I will be inducted into the University of New Hampshire's Wildcat Athletics Council Hall of Fame on November 9th! (I do still run -- approximately 21 miles a week - and participate in several races each year.)
