

(R) Information Sheets

NAME: **Edward C Rabbitt**

Deceased: 80
03/27/2023 – Heart Disease

SPOUSE: Anne

ADDRESS: 2704 Shriver Drive
Fort Myers, FL 33901

PHONE: (239) 362-3658

E-MAIL: arabbitt@yahoo.com

EMPLOYMENT: NH Peterbilt, owner (Retired)

CHILDREN: Donna, Pam, Mark, Kayla

Obituary: March 27, 1943 – March 27, 2023

It is with heavy hearts that we announce the passing of Edward Rabbitt, beloved husband of Anne (Cullen) Rabbitt. Ed passed away peacefully on March 27, 2023, at home. He was surrounded by family and friends for an intimate birthday gathering before he passed in the afternoon. He was proud to have lived 80 years.

Ed was born in Concord, NH and graduated from Concord High School in 1962. He was a hard worker and entrepreneur from a young age, purchasing gas stations after high school, later obtaining an International Harvester franchise to then owning New Hampshire Peterbilt for more than 35 years. He retired at age 68 to Fort Myers, FL with his wife.

Ed is survived by his wife Anne; his daughter Pam Swymer and her husband Jay; stepchildren Kayla Esce and Mark Esce and his wife Sarah; brother

Mike and his wife Laurie; sister Sheila Sinclair; grandsons Justin and Garrett Berube and their wives; Nathan Rabbitt and Tyler Sawyer; great grandchild Chloe, as well as many other relatives and friends.

He is predeceased by his parents, John and Mary (Robillard); daughter Donna Gleeson and sister Joan Shook.

Ed loved to ski, hike, garden, and travel. He was an avid tennis player and boater and loved taking his wooden boat "Dreamer" around Lake Winnepesaukee. He loved living near the water and lived in many different places, always with a view. He was a true gentleman and it was an honor to be a part of his life.

Ed declined funeral services and we will respect his wish. There will be a celebration of life held at a future time.

In lieu of flowers, donations may be made to American Heart Association, Hope Hospice in Fort Myers, or to a charity of your choice. We will miss Ed dearly and will cherish the memories we have with him.

EMPLOYMENT: NH Bureau of Elderly & Adult Services
State-wide Consultant and Supervisor of Adult
Protective & In-Home Care Services.
(Retired in 2004 after 35 years)

I presently buy and sell antique & historic postcards and related ephemera. I am also moving into painting and the visual arts with an eye toward once again displaying and selling my pieces at shows and through galleries. Hey.....know anything for sure these days? Or even 50 years ago. One just thinks it to be the case.

CHILDREN:

Nathan (1978)

Laura (1992)

2012 COMMENTS:

My son, Nathan Douglas, is a PhD Aerospace Mechanical Engineer living in Charlottesville, VA. Just so he gets it right, he also has his pilot's license so that he knows what the pilots are talking about! I myself chickened out of calculus so I cannot take any credit for that. But I do take credit for his terrific sense of humor.

My 21 year old daughter, Laura Elisabeth, is also living in Charlottesville, VA. where she is studying art and psychology with an interest in art therapy. She presently volunteers in an art therapy program focusing on adults with mild to moderate cognitive impairment due to the new "Scarlet A", Alzheimer's Disease. Human Services.....like Father, like Daughter I'd say.

My mother, Estelle, was well into her 90s when I asked her if she'd share with Nathan and Laura any "secrets" she could on her contentment and longevity. She responded somewhat as follows and I paraphrase as best I can. I pass her philosophy of life on to all of you as my wish for all of you:

May you all (1) have things no matter how small to look forward to each day, (2) build a bit of pleasure into each day, and (3) be content with what you have and what you have given back.

My mother died November 4th 2011 after a long life of 100 years, 1 week and 4 days. I'm thinking her philosophy helped her along the way.

Age 67/68 is not the end of life, but you certainly can see it from here. That's why I'm waving. My wife Lisa and I will be in England visiting with the Queen Mum during Reunion Weekend so I'll not be attending Reunion 50.

See you later.....or not.

NAME: **Judith E (Richmond)**

E-MAIL: waltersj@ninds.nih.gov

2012 COMMENTS:

I have read with interest and found reassuring the many reports in this booklet of my classmates' happy and fulfilling retirements! I have not yet taken the plunge, but for a number of years now, I've been saying, "in just a few more years".

Meanwhile, I continue to really enjoy the opportunity to do research at the National Institutes of Health (NIH) in Bethesda, MD, where I lead a small group of researchers studying how the motor centers in the brain are affected by Parkinson's disease. Our goal is to understand what goes wrong in these brain areas to produce the motor symptoms associated with Parkinson's and other motor disorders, and to try to develop better therapies to relieve these symptoms.

I've been working at the NIH since getting my PhD in neuropharmacology in 1973.

Other highlights of life since graduation: I have 3 sons, now 27 - 35 yrs old, who have brought me great pleasure and broadened my horizons. My ex-husband and I have a very nice co-parenting relationship and I have had a dear significant other/partner for 20 yrs, Tom Long, who is a professor at Catholic University teaching in the Education dept.

My oldest son Jamie is currently doing a post-doc at Stanford Univ., studying molecular biology and evolution, with a wife who is a filmmaker and college teacher. Middle son, Greg, was a journalist in Russia for 5 years, now living in Brooklyn NY, working part time for Credit Suisse bank, writing music and touring with his band, Tiny Victories. Doug, the youngest, also spent time after college touring with his band, Red Wire Black Wire, has a couple albums out and is currently doing full time music composition. No - I am not particularly musical myself and take no credit for my sons' musical accomplishments, but I did love playing the piccolo in the CHS marching band!

I'm looking forward to revisiting those happy memories and reconnecting with classmates at our 50th reunion!

EMPLOYMENT: Medical Practice Manager
Mountain West Dermatology, Grand Junction, CO

CHILDREN: Debra (1962), Donald Jr. (1963), Darla (1965).

GRANDCHILDREN: 4 Grandchildren who are grown and live in Grand Junction, CO

Debra's children: Brittanie (1985), MacKenzie (1992)

Donald has stepchildren

Darla's children: Ezra (1994), Sophia (1996)

GREAT GRANDCHILDREN: MacKenzie's; Hazel Bea (2017)

2017 COMMENTS:

I retired in 2014 after 35 years as a Medical Practice Manager.

I also enjoyed medical office consulting. I had a small business for 5 years, Med Temp Staffing and Consulting, Inc.

I started my medical career in 1973 at the medical office of Drs. Black & Macomber. I moved to Grand Junction, Colorado in 1978. I've always loved it here. I married Richard Perkins from Concord, NH in 2013. He retired from the Concord Fire Dept. We are both in good health. We will continue to enjoy our life together here in the valley. We enjoy walking, hiking the beautiful trails around us and taking trips to NH.

NAME: **Rosemary G (Rideout)**

Meding

Deceased: 71
05/11/2015 - xxxxxxxxx

Punta Gorda, FL

Obituary:

PUNTA GORDA, FL - Rosemary Rideout Meding, 71, of Punta Gorda, FL, passed away peacefully Monday, May 11, 2015 at the Tidewell Hospice House.

She was born April 15, 1944 in Jacksonville, FL. She was the daughter of Witney Rideout and Stela (Gordon) Rideout. She lived in Concord, NH and received a bachelor's degree as a x-ray technician at Maine Medical Center.

In 1972, she moved to Missouri where she was married and had two children, Scott E. Knight and Christopher M. Knight.

There, she raised her boys and slaved on her dairy farm with 100 milk cows. She also earned a commercial driver's license and drove a tractor trailer in her "spare time."

In 1984, she returned to NH and found her childhood sweetheart, Stephen Meding, whom she married in 1985. They moved to Punta Gorda, FL in 1998.

There, Rosemary discovered "Zebu" miniature cattle, became infatuated, and soon had a herd of 25 animals. They were her "babies." She trained, groomed, taught them to pull a wagon, and loved them all. Her knowledge of animals was exhausting! Her husband says, "She's the smartest woman I ever met, and found a new friend wherever she went."

She was predeceased by her son, Scott E. Knight, U.S.M.C., and her brother, Richard Rideout.

Members of her family surviving are husband, Stephen; her son, Christopher M. Knight; stepsons Charles Y. Meding, Stephen M. Meding; grandchildren Haley and Morgan Knight, Sam Meding, Matilda Meding, and Rebecca Rideout.

Funeral will be private, family only, at an undisclosed time.

EMPLOYMENT: Certified Municipal Town Clerk
for the Town of Dumfries, VA
(Retired 2010)

CHILDREN:

Corey (1974)
Kelley (1976)

2012 COMMENTS:

I have never attended one of our class reunions, but I am certainly looking forward to attending the 50th and seeing everyone there.

Obituary:

Donna Ann Johnson, 70, of Falmouth passed away peacefully on Thursday, April 23, 2015, at VCU Medical Center.

Donna was born on July 5, 1944, in New Hampshire to the late William and Hazel Robbins. Following graduation from Concord High School, class of 1962, Donna began working for C&P Telephone Co. She transferred with the telephone company to Virginia in 1967 and worked there until 1985, when she chose to stay home with her children. She returned to the workforce years later and retired as the town clerk for the town of Dumfries in 2010. Following her retirement, Donna turned a hobby into a business and began selling country and primitive furniture and décor at Caroline Square and the House of Milk and Honey in downtown Fredericksburg.

Donna had a zest for life, a kind heart and an infectious smile, and she made friends wherever she went. She cherished her many friendships, new and old, but her greatest love was for her family, especially her grandsons.

Donna is survived by her husband of 46 years, Earl Johnson; her two children, Corey Johnson and his wife, Deena, of Falmouth and daughter Kelley Brown and her husband, Bobby, of Spotsylvania County; and three grandchildren, J.D. Roberts, Coby Johnson and Colton Brown. She is also survived by her brothers and sisters-in-law, nieces and nephews, many friends that she considered family and her beloved dogs.

The family will receive friends from 6 to 8 p.m. Tuesday, April 28, at Mullins and Thompson Funeral Service, Stafford Chapel. A funeral will be held at 11 a.m. Wednesday, April 29, at the funeral home, with burial to follow at Stafford Memorial Cemetery.

Rory	2009
Theo	2013
Wesley	2017

2012 COMMENTS:

In 2005, we retired and moved back to the Concord area.

I remember well the teachers at CHS that still make a difference in my life:

Mr. Alger Bourn, chemistry. He was so important that I have dedicated all three editions of my inorganic chemistry textbook to him. The last dedication in the 2012 3rd edition read: "Dedicated to Alger S. Bourn, my high school chemistry teacher who ignited a continuing intellectual passion".

Miss Alma Sargent, mathematics. She gave me the confidence to believe that I could go as far in mathematics as I needed and/or wanted to.

Miss Muriel Kendrick, English. She somehow browbeat into me the basics of grammar and sentence structure. When I arrived at Tufts University, it became apparent to me that she had taught me how to write well. It's a skill that I have valued all my life.

Career Highlights:

Bachelor of Science in Chemistry, Tufts University, 1966 Ph.D. in Chemistry, Cornell University, 1971

Professor of Chemistry for 35 years (5 years at Muskingum College in New Concord, OH and 30 years at Allegheny); winner of several teaching awards including the Julian Ross Award, for "singular accomplishments and contributions through excellence in teaching, Allegheny College, Meadville, PA"

Taught a number of interdisciplinary courses with colleagues in Education, History, English, Philosophy, Geology, and Economics.

Author of "Descriptive Inorganic, Coordination, and Solid-State Chemistry", 3rd Edition, Brooks/Cole, Cengage Learning 2012. Various editions have been available domestically and internationally, including as Spanish and Korean translations.

Leader of two Allegheny College Scientific/Historical Travel Seminars to Europe. Present writing project: "Traveling with a Scientist, The History of the Atom on the Road in Europe".

Kitty and I have been married almost 46 years and have three daughters and two grandchildren: Rachel, 16 months old and Rory, 2.5 years old.

I have made the transition from playing trumpet to singing tenor and have enjoyed it for many years. We have sung with several choral groups in the Concord area.

After growing up as a Baptist (United Baptist Church in Concord) and being an American Baptist Scholar, we raised our children as Presbyterians. Now we are members of the Canterbury United Community Church and love it there.

2002 COMMENTS:

We have lived in Meadville for 27 years but now spend our summers at Hot Hole Pond in Loudon, NH.

1992 COMMENTS:

We have lived in Meadville for 17 years but manage to get back to Concord at least once a year to see family and of course, get to Fenway Park.

Deceased: 74
01/17/2019 - xxxxxxxxxxxx

ADDRESS: 26 Allison Street
Concord, NH 03301

Obituary:

ERROL - Francis "Frank" G. Roy, 74, of Errol, passed away on Thursday afternoon, Jan. 17, 2019, at his home, with his wife by his side.

He was born in Concord, NH, on Aug. 17, 1944, a son to the late Ernest E. and Ruby (Loomis) Roy. Frank was raised in Concord by his aunt, Irene N. Locke, and was a 1962 graduate of Concord High School. He later served honorably in the U.S. Army.

For many years, Frank was the purchasing agent for R.S. Audley, Inc., construction firm in Bow. In his spare time, the Concord Men's Softball League was his passion, and as pitcher for many years on different teams, he held the record for a 61-game winning streak, a record that remains to this day. He loved all other sports as well, including hockey and golf, and he was a racing and NASCAR fan, as well. He retired and moved to his beloved camp in Errol in the early 90s, where he was also known to have the best and fanciest grill that he never cooked on (but others did).

Snowmobiling was Frank's love in the north country, and he was instrumental in the formation and management of the Umbagog Snowmobile Club in Errol, where he was the long-time trail administrator. He was proud to have been inducted into the "Iron Dog Brigade" in 2015.

He is survived by his beloved wife of more than 28 years, Karen (Labrie) Roy of Errol; a daughter, Lynn (Troy) Soares of Manchester, NH; one brother; and two grandchildren.

08/18/2023 COMMENTS:

We just got back from our 35th cruise today.

I saw Damon Osgood at Staples today. He says he does enjoy viewing our Website and will add his data soon.

2020 COMMENTS:

I have completed what might be my last career job.

From 09/2019 - 11/2020, I worked in IT Support for the 2020 Census in the Concord, NH Office. We supported Office Staff and Field Support for NH, ME, VT & Western MA.

The devices were Windows 10 DeskTops, LapTops, iPads, iPhones.

2012 COMMENTS:

Another 5 years have passed.

WOW, 50 years, what a **BIG** number !!!

My wife, Linda, and I enjoy cruising after our honeymoon cruise in 1992. Since then, we have been on 13 cruises (Hawaii, Caribbean, Panama Cannel, Mediterranean, etc.). We had our 20 year wedding vows renewed on our March 2012 cruise on the largest cruise ship in the industry (Royal Caribbean Allure) to the eastern & western Caribbean. We have 3 more planned for fall of 2012, spring & fall of 2013.

Our house (that I designed and built in 1976) has not sold in over 5 years, **SO**, we have decided to stay and completely renovate it to our current liking.

2007 COMMENTS:

Another 5 years have passed !!!

We are well at this end. We are preparing for retirement (or as much as I expect to retire - I always expect to be busy doing something). We have sold our classic 1963 Rolls-Royce Silver Cloud III, had a few yard sales, our house is for sale so that we can move to a condo. We like cruising but owning a house is harder to leave for very long.

2002 COMMENTS:

Hi, Classmates! 40 years have gone by.

From January 1963 to August 1974, I worked at Banks Chevrolet & Cadillac, starting as a lubman working my way up to shop foreman.

From August 1974 to February 1976, I moved with my family to Mesa, AZ where I worked at a Chevrolet dealership and went to tech school to become a computer programmer.

We did not like AZ living. After moving back to Concord, I built my current house & became a software developer (computer programmer).

Donna Clark (class of 1961) and I divorced in 1981 after 18 years of marriage. I was single for 10 years. I placed an ad in a dating magazine with Linda being 1 of 40 responses. Linda & I have been married since 1992.

I started my programming career at Concord Group Insurance. After 3 years, I worked 10 years for the Concord School District as IT Director and programmer building many projects with Mike Garrett. Because of budget cuts, I had to move on. I was a computer contractor in Boston a few years working for companies such as Fidelity, Bank of Boston, SunLife of Canada, etc.

For many years I have wanted to work out of my home, developing computer applications. As we get older, our time becomes more important. I can work anywhere (FL, AZ, the islands, etc.). Computers are so much fun, I don't think I will ever retire in the true sense of retirement. I am always busy doing something.

Linda is a RN and works as a contract nurse on local assignments and at Harris Hill Nursing Home in Concord. She takes care of her grandchildren two days a week. Kevin's mother takes the twins the other two days saving much money on day care.

Our families are doing well. Ann & Family live in Northridge, CA. Ann works at UCLA doing brain research. Stefanie lives in Pembroke and works at the Globe in Pittsfield. Deborah & Family live in Penacook. Deborah is a clinical leader in the cardiac telemetry unit at Concord Hospital. Kevin is a programmer.

It was a lot of fun working on our 40th class reunion. Being in computers, naturally most of my work is in the record keeping area. Over the years, I have been concerned about our class information. Six years ago Roger gave me our class information that his secretaries have been maintaining

over the years and I have been updating it since. I put our data in MS-Access97 database and will share it with anyone interested.

This past June, my father, 80, came back from AZ to his 63rd (class of 1939) CHS reunion and had a great time.
